CHAIRMAN'S MESSAGE**By Rick Reiff**

On April 21st we held our annual meeting at Corvette City, which is that time of year when we elect new members to the RMC Board. This year there were 5 Board positions to be filled. These are terms which will begin on January 1st of 2008 for a 2-year period. The following are the results of the votes cast and the respective positions:

Vice Chairman - Dennis Kazmierzak
 Judging Chairman – Jim Lennartz
 Treasurer – Steve Beatty
 Activities – Mike Bird
 Merchandise – Bill Pearson

In addition to electing new board members, the RMC membership voted on the new name for the Chapter newsletter. The name that received the most votes is: "High Plains Shifter" which our esteemed newsletter editor, Dennis Dalton, submitted. Dennis will be integrating this name into a new newsletter design, which

he discusses in more detail later on in this publication.

In addition to the board election and newspaper name we discussed submitting a proposal to host the 2011 National Convention. In that regard I encourage you to consider participating in the planning effort for this event. I worked with the team that helped put together the '04 Breckenridge Regional and enjoyed the experience. We will be piggybacking off the process Bill Pearson and Ralph Ridge are putting together for the '08 Regional that we are hosting. So if you are interested in helping out let Bill, Ralph, or me know.

Kudos to those of you that stepped up and helped with the 9HealthFair, the Chapter's charitable cause.

Save the wave and enjoy the Corvette experience.

 Chairman

Dan Tillapaugh	97	

I want to thank all the members that judged and tabulated for this event. Without your help in doing these tasks we could not be successful in making this meet happen.

The next meet, out fall meet at Gateway Colorado is planned for September 7th & 8th. This is a two day event similar to a regional where we have activities each day. If you plan to attend please send in your registration as we need to form the judging teams based on this registration information. This is also a unique event as LGCC is having a show & shine at the same time so there will be lots of different types of Corvettes to view that weekend. We be planning a road tour there from Denver through the mountains with a stop at Tom Neel's home in Carbondale just west of McClure's Pass. This should be a very scenic drive and a fun day for all going to Gateway.

The chapter charity 9HealthFair conducted the volunteer phone bank function on April 19th with the afternoon shift. Helping out with this

were Bob Davis, Jim & Kay Hilton, Ted Smathers, Steve Jacques, Jack Humphrey & me. Afterwards we got together for some refreshments and talked about next year's effort. All enjoyed the event knowing that you were helping people get control of their health issues. Since I've been re-elected to VP I'll be conducting these events for another 2 years. Thanks for helping make this a successful venture for the club.

New Look

This issue of the newsletter marks the 30th issue with this design and layout. I want to thank Dennis Kasmierzak for designing this setup. As Rick mentioned, High Plains Shifter is the new name for the newsletter and will be incorporated into the masthead for the July/August newsletter along with a new design format.

Help!

For those of you who could not attend the last meeting, our technical advisor Gary Steffens asked members for assistance in the form of a web site testimonial for his business. His email is in this newsletter's board member list. Contact him for details. He needs our support!

Western Regional

Many members attended the Western Regional in Las Vegas Nevada: Mike Bogan, Jim Lennartz, Dennis Kasmierzak, Ralph Ridge, Jack Humphrey, Martin Egan, Bill pearson, Charles Cadenhead Peter Gregory and myself. I hope I didn't leave anyone out. Mike Bogan and Jim Lennartz passed their PV's. We had a great time!

For the 2007 award, now is the time to start writing technical articles. We need to publish 6 articles in our newsletter for 2007. If you have an idea for one but aren't sure how to put it together feel free to contact anyone on the board of directors for help.

Thanks in advance for your participation to help the chapter continue to be a Top Flight Chapter!

Regional Director Report Region VI

By Howard Loomis

On March 24, I flew to St. Lewis for the winter NCRS National Board meeting. Attached are several things that we discussed that are not in the summary. Also I am sending the Drug and Alcohol Policy so each Chapter understands what the Directors and our insurance company require of each NCRS member.

The National Board has instructed John Waggoner to set up the ncrs.org web site for members ONLY. Non-members can view the website but can not post. Also with being able to log onto the National web site, there will be a set of rules to follow that will explain everything. Look for that soon.

The NCRS web-sit now has the ability to copy judging forms from the site. Roy Sinor and John Waggoner have been working on that since the board meeting. In the near future you will be able to go onto the web-site to see your judging points. Roy will keep this up to date as soon as he gets the meet information. One thing, Roy is Busy guy, if you can get the information off the site, please do so. One other thing, the National Membership Chairman Gary & Eric Mortimer are also very BUSY, so if you have a membership question give Bob

Montgomery (303) 734-4649 a call. He has the Colorado membership list, unless of course, it is something that National needs to know about your membership.

The Top-Flight program is going very well and there are many chapters participating in the program at this time.

Alcohol and Drug Policy:

Marilyn Heitzman presented a proposed Drugs and Alcohol Policy for inclusion in the NCRS Judging Reference Manual, the Chapter Guidelines & Operations Manual and is to be communicated to all chapters and all participants at NCRS events, as follows:

The use of alcohol by anyone attending an NCRS event including NCRS members, family members, guests, and vendors ("The Participant") is prohibited as outlined below:

While on the judging field between the hours of 7:00 a.m. and 4:00 p.m. or until all judging has been completed for the day, whichever is later.

While participating in any NCRS driving event, such as, but not limited to, Performance Verification driving tests and/or NCRS Road Tours.

While attending Regional or National events that are open to all "Participants" including the annual NCRS Membership Meeting, Judging Schools, Technical Sessions, Judging Seminars, etc. with the exception of Welcome Receptions, Banquets and evening Social Events.

This policy prohibits the possession, consumption, distribution and/or sale of illegal drugs.

Violation of this Policy by any "Participant" attending NCRS Chapter, Regional or National events will result in appropriate disciplinary action.
