

LAST JUDGING OPPORTUNITY BEFORE THE 2014 NATIONAL IN KANSAS CITY

2014 Rocky Mountain Regional – Loveland, Colorado. June 5-7, 2014
Embassy Suites and Convention Center, Loveland, Colorado

The Rocky Mountain Chapter of the NCRS welcomes you and your family to “Colorful Colorado,” a destination on everyone’s “bucket list.” This is your last opportunity to meet all your judging prerequisites before the 2014 Kansas City National Convention. The Thursday thru Saturday night event includes all regional judging opportunities, judging schools and technical seminars, tours, and silent auction including a chance to bid for a professionally piloted, one hour ride in a 4 passenger Bell 222 Twin Turbine helicopter leaving the hotel at 10:00 am Sunday morning. There is no better way to experience the beauty of the Front Range of the Rocky Mountains than from the comfort of executive interior club seating of this helicopter! A portion of the proceeds will be donated to the NCRS Foundation. And, be sure to register for Friday night’s festivities at Ethyl’s Diner, a recreated old fashioned diner in the hotel’s banquet room. You are guaranteed a high test evening with great food, cash bar, trivia question challenges with prizes, and DJ Gianni Be Good spinning 50/60’s Oldies Rock ‘n Roll.
